### Western Union transactions

Please note that the last time, in January 2017 that I tried to send money this way, Western Union refused to transmit it. I have inquired why but as yet have had no reponse, and its been over a week!. I suspect this is the result of incompetence in the American Security 'system', which is apparently incapable of distinguishing between terrorists and those who attempt to help their victims.

The contact recipient for the Kinjir Foundation is:  
Mr. Joseph Lawu (Assistant to Mr Kinjir)  
Email: [lawujoseph@gmail.com](mailto:lawujoseph@gmail.com)

**Note** that it is important to communicate with Mr Lawu (with copy to [kinjirsaleh@yahoo.com](mailto:kinjirsaleh@yahoo.com)) immediately after sending money to Yola in order to inform him of the MTNC (Transaction Number) and the security question you will pose and its answer.
